NEW SOUTHLANDS HOTEL

The New Southlands Hotel is a handsome, intimate property perfectly situated on Scarborough's South Cliff. From the hotel, the Esplanade, Italian Rose Gardens and South Beach are easily accessible.

Scarborough itself retains much of the character of an elegant Victorian seaside town, with stunning architecture and walkways, as well as boasting modern entertainments and attractions.

LOCAL INSIGHT

Scarborough has lots to offer. The South Beach has all the fish and chip shops, arcades and traditional seaside things you might expect. The North Beach is a very different environment with a beautiful walk, lovely beach and no shops. And sandwiched in the middle is the lovely old castle. Further inland, North Yorkshire is an often overlooked gem of a county

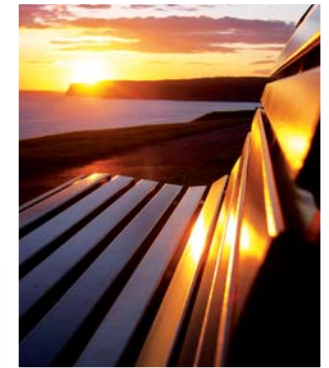

offering beautiful scenery and countless attractions both historic and modern. So when it comes to Scarborough, think of us as having it all!

Vicky, Receptionist

“Nothing was too much trouble for the friendly staff”

Our piano bar is a great place to relax with an early evening drink and the garden is very popular mid afternoon for a leisurely sit.

The hotel possesses all of the amenities and facilities you would expect from Coast & Country and our warm, friendly staff will ensure that your stay is relaxing and memorable.
